We have box plots and they have been useful. I just thought you might find it interesting the pattern above and near the line for the cleanup level

Hi All,

Please use the link below to download box plots and quantile-quantile (QQ) plots for soil sample radioanalytical results from trench and fill units under evaluation at Parcels B and G. Plots for building survey units will be distributed separately tomorrow. Please let me know if you would like me to forward this on to others.

New files have been posted for you at the Langan Client Services site and can be retrieved until 10/20/2017 by clicking on the link below.
